**NOTICE OF URGENT APPLICATION FOR STAY OF PROCEEDINGS**

(In the Related Matter Concerning Brian Stuart Young and Global Bank of Commerce)

Date	April 08, 2026
Relief sought	Immediate stay of all proceedings, enforcement actions, and further steps

**TO THE HONOURABLE COURT**

The Claimant hereby gives NOTICE of his URGENT APPLICATION for an immediate STAY OF ALL PROCEEDINGS in the matter concerning Brian Stuart Young and Global Bank of Commerce on the grounds that the judicial record is materially tainted by the related cartel case ANUHCV2025/0149 and the administration of justice has been compromised.

**GROUNDINGS FOR THE APPLICATION**

**1. Direct Link to the Tainted Main Cartel Case**

The proceedings against Brian Stuart Young and Global Bank of Commerce are not isolated. They form part of the same coordinated lawfare being conducted by the Real Epstein Caribbean Cartel in Claim No. ANUHCV2025/0149. A critical document in the main cartel case was materially altered by the removal of references to the United Progressive Party (UPP) and six of its executive members. This alteration directly affects jurisdiction and has compromised the entire evidentiary matrix.

**2. Attorney General Steadroy Benjamin’s Role**

The Attorney General entered the main cartel case as amicus curiae. When the Claimant attended his Chambers to seek clarification on the document discrepancy, the response was hostile: the Claimant was ordered to leave and police enforcement was invoked. This conduct has created a tainted judicial environment that directly infects the proceedings against Brian Stuart Young.

**3. Brian Stuart Young and Prime Minister Gaston Browne Are Victims of the Same Cartel**

Brian Stuart Young has been targeted in exactly the same manner as the Claimant. Convicted foreign felon Jack Stroll, assisted by UPP insiders including D. Giselle Isaac, manufactured inflated claims against Global Bank of Commerce. Mr. Stuart Young was also named in the Alpha Nero matter but was fully vindicated by the SDNY. Prime Minister Gaston Browne is likewise a victim of this cartel. He has publicly stated that the Alpha Nero lawsuit and related actions are “a total fabrication designed specifically to undermine our country” and to defame him personally.

**4. Multi-Jurisdictional Record and Ongoing Investigations**

The full court record, complaint, and evidence of the alleged document alteration are now formally held in three jurisdictions: Antigua and Barbuda, the United States, and London (UK). The Real Epstein Caribbean Cartel is under active criminal investigation by the CID (Antigua), Dallas Homicide, the United States Department of Justice, and Scotland Yard, related to the murder of Asot Michael.

### 5. Irreparable Prejudice

Allowing the proceedings against Brian Stuart Young to continue while the main cartel case contains a tainted record would cause irreversible harm, undermine the integrity of this Honourable Court, and expose Antigua and Barbuda to further foreign lawfare.

### URGENT RELIEF SOUGHT

The Claimant respectfully prays that the Court immediately grant the following relief in the matter concerning Brian Stuart Young and Global Bank of Commerce:

1	An immediate and full stay of all proceedings, hearings, enforcement actions, and any further steps against Brian Stuart Young and Global Bank of Commerce until the integrity of the court record in the related cartel case ANUHCV2025/0149 is fully verified.
2	An independent forensic examination of the court file to determine whether any document was altered and by whom.
3	A direction that no further steps or enforcement be taken in the Brian Stuart Young matter pending resolution of the document-integrity issue and the broader cartel proceedings.
4	Such further or other relief as the Court deems just and proper to protect the integrity of the judicial process and the sovereignty of Antigua and Barbuda.

**This Court must move now.** The evidence of taint is overwhelming. The investigations are active. The record is held in London. Both Brian Stuart Young and Prime Minister Gaston Browne are victims of the same cartel. Judicial integrity demands an immediate stay.
