OFFICE OF THE
COUNTY COUNCIL

On March 27, 2022 the first illegal chicken fighting event was held at 4920 Kahekili Hwy. at the property of Susan Mendes (Ancheta) and continues every Sunday.

Multiple calls to the police have been made with zero action occurring.

There are over one hundred vehicles driving on this very narrow and dangerous road causing extreme traffic every Sunday.
There is drug and alcohol use at the event and impaired drivers endangering residents and visitors on this well used roadway.
Residents have been run off the road due to this all day event.

These events also bring lots more people, possibly criminals, to this area, which is already inundated with the criminal activity of Susan Mendes and her meth head associates stealing cars, stripping cars, burning cars, dumping cars, stealing from homes in the area and drug use. There have been threats of violence and residents are fearful for their lives and property.

The subdivision,Maluhia Country Ranches/Cliffs at Kahakuloa, where I live is across the street from these events.

If I had an illegal wedding business or any other illegal event every Sunday attracting over a hundred vehicles, I know that the County would shut me down immediately, so I wonder why this illegal activity occurring EVERY Sunday is not being shut down, charges filed and arrests made.

Is it because I am not "local" that my concerns over safety and criminal behavior are not being addressed?

Please protect and serve our community.
